

## Call for Speakers Information Page

### Webinar Wednesday

Webinar Wednesdays are 55-60 minute educational webinar sessions on Fire & Life safety topics.

Day of the week is always Wednesday, but start time is flexible. Session includes a Q & A session at the end with attendees. CCFS administration team needs 6 weeks preparation time to advertise your presentation and submit to the ICC for CEU's.

If you are interested in being a presenter, please fill out the [interest form here](#).

Knowledge Bytes are 30 minute webinar sessions that can consist of either; Fire & Life safety education and/or technology or best practice specific information.

Knowledge Bytes Webinars are time flexible scheduled on Tuesdays. Q & A session is optional but encouraged to engage with attendees. CCFS administration team needs 6 weeks preparation time to advertise your presentation and submit to the ICC for CEU's.

If you are interested in being a presenter, please fill out the [interest form here](#).

Campus Coffee Breaks are 15 minute webinar sessions for Fire & Life safety products and services information. These sessions are presented exclusively by CCFS sponsors.

Campus Coffee Breaks are not day of the week specific but only occur at 11 AM ET. Presentations can be pre-recorded. CCFS administration team needs 6 weeks preparation time to advertise your presentation.

If you are Sponsor interested in being a presenter, please fill out the [interest form here](#).

Already filled out your interest form? Great! A CCFS representative will reach out to you to set up a meeting on your presentation and discuss the details. We look forward to working with you towards our shared mission of fire and life safety.
